YOUTH CLUB INFORMATION

ALL PARTICIPANTS will have to sign up as club members & complete Consent forms that cover participation in all youth work projects and activities throughout this programme.

COOKING

Cooking sessions occur sporadically across the programmes we run in response to young people's requirements. Sessions can be accredited, and we encourage parents to volunteer and show us their secret recipes!!
(All of our food is Halal, and we try to offer a Vegan option wherever we can)

SPORTS

Sports sessions on our multi-sports pitch also happen sporadically across our programmes unless we have a prearranged training session or tournament occurring.

Football, Dodgeball, Tennis and Team-Building games are popular at the moment, but we try to work with members to provide alternative sports if they show an interest

PUSH N PULL GYM

Every Monday, Wednesday & Friday evening from 6-7pm members can train in calisthenics-based training methods, with qualified coaches who were once young members of the club themselves!
