## YOUTH CLUB INFORMATION

ALL PARTICIPANTS are required to sign a Club Registration & complete Consent Forms that cover participation in all youth work projects and activities throughout this programme.

### COOKING

A staple of our programme, this project teaches valuable skills around food preparation and how to work within a budget. Cooking sessions are often accredited, and we encourage parents to volunteer and show us their secret recipes!!

(All of our food is Halal, and we try to offer a Vegan option wherever we can)

### SPORTS

Sports sessions on our multi-sports pitch occur across our programme. These include organized training sessions, tournaments and open-play sessions.

Football, Dodgeball, Tennis and Team-Building games are popular, but we try to work with members to provide alternative sports if they show an interest

### PUSH N PULL GYM

Every Monday, Wednesday & Friday evening from 6-7pm, members can train for FREE in calisthenics-based training methods, with qualified coaches who were once Masbro Youth Club members themselves!
