Autumn Term 1

We started off the term getting to know our children and making new friends! The children have been learning about feelings and what makes us different and the same. We have re-introduced our weekly sessions of Science, Yoga, & Music and new for this term are our Speech & Language sessions.

The season of Autumn is being explored through song, pictures, craft and sensory exploration.

Thank you for wearing your face coverings when entering our nursery, we appreciate all the efforts everyone is going to in order to keep us all safe and healthy!

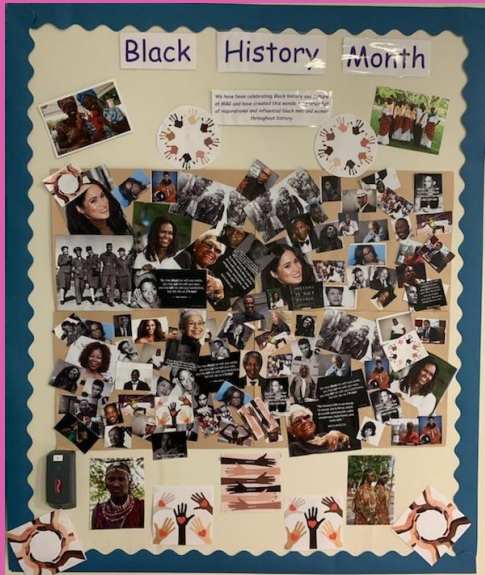

As the weather gets colder and wetter please remember to dress your child in appropriate clothing. Puddlesuits, wellies, rainclothes are all greatly appreciated as we do spend the majority of our day outside!
