## Spring Term 1

We have been making the most of the Winter weather this term with the children getting to experience snow and ice. We have played in the falling snow, made snowmen, had snowball fights and scooped and shovelled to make snow cakes! This really has been such a fun start to the term!

## Happy Chinese New Year!

2021 is the year of the Ox and in nursery we have been busy crafting amazing dragons, beautiful lanterns, paper fans and lovely ribbon wind decorations.

To anyone celebrating this weekend we hope you have a lovely time 😊

## Happy Valentines Day!

We have been teaching the children songs about love and kindness, we hope they share these with you.

We recently marked Children's Mental Health Week and we feel that it is more important than ever that we spend time together playing, reading, singing, doing whatever your family enjoys and that you do it with love, kindness and happiness!

We have some children who have already or will be soon turning 3 years old and so will be leaving us before Easter. If you haven't already had a nursery confirmed for your child, please let us know so we can put you in touch with someone who can help.

Follow us on our Social Media pages for updates and more!

Tapestry is your child's Online Learning Journey. We upload pictures and observations once a month as part of your child's focus week. You are also able to upload pictures and videos of things you do at home! If you have any problems accessing your account, please let us know!
