Delivering parenting
programmes in
Hammersmith & Fulham

CONFIDENT PARENT Happy Child

is for parents and carers of children
0-18 years of age living in Hammersmith and Fulham.
The project offers a range of evidence based parenting
programmes, information, advice and support for parents
and carers to build positive parenting skills.

5 TIPS

FOR BUILDING A LONG-LASTING POSITIVE RELATIONSHIP WITH YOUR CHILD

1 SPEND QUALITY TIME DAILY

Give your child 10–15 minutes of undivided attention each day.
It could be reading, playing, or simply talking, to show them they are valued and loved.

2 LISTEN

Listen, acknowledge their feelings, and don't rush to fix things
They often just need to feel heard.

3 SHOW CONSISTENT LOVE & AFFECTION

Express love through words, hugs and smiles.
Consistency builds trust and emotional security, helping them feel safe and valued.

4 COMMUNICATE POSITIVELY

Use encouraging language and focus on what they can do, not what they can't.
Example: "Let's try again together" instead of "You did it wrong".

5 RESPECT THEIR INDIVIDUALITY

Accept your child's unique personality and interests.
Avoid comparing them with others, and support their choices within safe boundaries.
